### Looking for a great company outing or staff, client or networking event?

ARTZUID tours are a big hit with local residents, day-trippers, families, international visitors, art clubs and businesses alike. As ArtZuid Director Cintha van Heeswijk-Veeger explains, guided tours yield a great return for companies based in the Zuidas area: 'Walking together while looking at art is an excellent way to get better acquainted with your customers. At every step there is something new to see and talk about. That's precisely why I highly recommend this tour to companies.'

The ArtZuid foundation can also design bespoke tours. Please feel free to contact us at [communicatie@artzuid.nl](mailto:communicatie@artzuid.nl) to discuss your interests and the possibilities.
